# Save JESI as a Shortcut on your Mobile Device

JESI is web-based. This means no App to download and accessibility across any device with internet access. **The easiest way to access JESI is to save it as a shortcut on a device, here's how to do that.** Once the profile activation is completed, users will be logged into JESI- https://app.jesi.io/
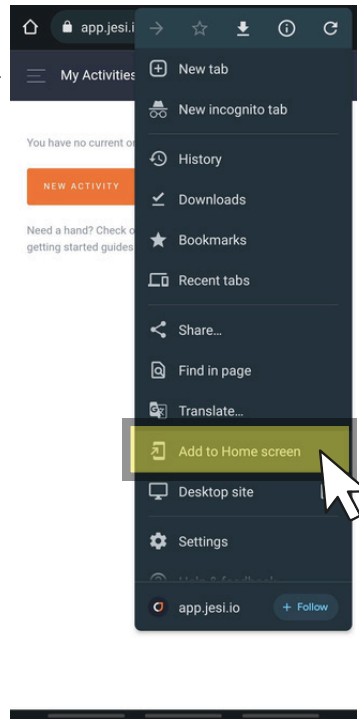

ANDROID

1

Once logged in through Safari, click on the 3 dots in the top right hand corner.
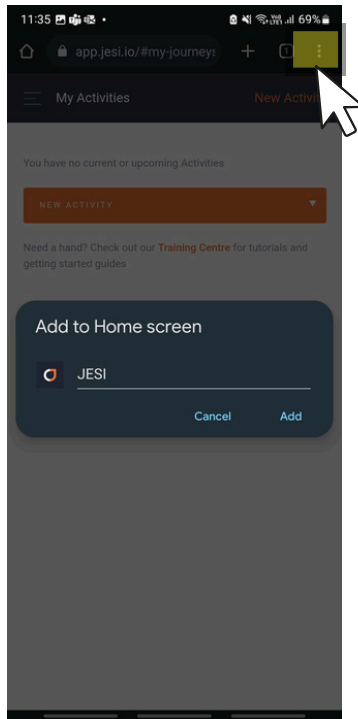

2

Select 'Add to Home Screen'

3
